

Fire Communications Division

The Baton Rouge Fire Department Communications Division is located in the communications center at the Mayor's Office of Homeland Security and Emergency Preparedness.

Twenty two fire department personnel work in fire communications. Twenty of the personnel comprise four rotating shifts keeping the center operating on a 24-hour basis. The Chief and Assistant Chief Fire Communication Officers supervise the division and work straight days.

The Communications Division is responsible for dispatching, tracking and notification of emergency calls to city fire units. This division also assists in dispatch for eight parish departments. The 2015 total incidents dispatched were 33,323.

Listed below are the 2015 incident totals for each parish department:

Alsen Fire Department	176
Baker Fire Department	1596
Brownsfield Fire Department	970
Central Fire Department	2503
Chaneyville Fire Department	412
District 6 Fire Department	1879
Eastside Fire Department	2000
Pride Fire Department	366
St. George Fire Department	8429
Zachary Fire Department	2358
