

ANNEX L: Appendix 5 Construction Plan

I. GENERAL

The Construction Section will mobilize all heavy and light duty construction equipment and all building materials available in East Baton Rouge Parish. All engineers, contractors, architects, skilled construction workers, and others with practical experience and training will be asked to help with the critical task of fallout shelter construction or upgrading, in the event this is necessary.

II. RESPONSIBILITIES

- A. The Construction Section will provide heavy and light equipment, construction or upgrading, in the event this is necessary.
- B. Labor will be provided by the organization furnishing the equipment or the Manpower Coordinator.

III. OPERATIONS

- A. Construction Operations Center will be located at a designated area assigned by the Construction Coordinator at the time of the incident.
- B. See Crisis Relocation Operations Handbook for suggestions on how to upgrade buildings.
- C. All trucks carrying construction supplies/equipment and all motorized heavy equipment arriving in East Baton Rouge Parish will report first to the Construction Operations Center. From this point, the Construction Coordinator will direct such trucks or equipment to work sites.
