

Name: _____

Garbage Pizza!

Make a garbage pizza using the materials supplied. It should be similar to the graph below. Glue the appropriate materials on the appropriate sections of the pie chart.

1. Which two items make up 55% of all wastes?
2. Which two items each make up 11% of the total waste?
3. Which of these materials can you recycle?
4. You can recycle with a green bin(s) or go to the monthly drop off to recycle here in East Baton Rouge Parish. What can you do to help others learn to recycle?

Materials provided by the City of East Baton Rouge-
Parish of East Baton Rouge Recycling Office
